

Marks Main Group Meetings (Fall 2017)

Meetings will be held in **Tech K140** at **6:00 PM** on the following **Tuesdays**.

Group business followed by a formal talk of about an hour with an emphasis on background for the benefit of the visiting first-year students. Overview talks outline the history and background of a project or a subgroup, followed by recent results. Our group poster session on October 4 provides an opportunity for first-year students to meet all current group members and discuss research projects.

Group Open House: Wednesday Oct. 4, 5-7pm in Ryan 4003

September	26	Development of Conjugated Materials (Matt Leonardi)
